DEPARTMENT OF DEFENSE

Office of the Secretary

Notice of Proposed Information Collection; Comment Request

AGENCY: Office of the Assistant
Secretary of Defense for Health Affairs.

ACTION: Notice.

In compliance with Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Assistant Secretary of Defense for Health Affairs announces the proposed revision of a previously approved public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility and clarity of the information to be collected and (d) ways to minimize the burden of the information collection on respondents, including through the use

of automated data collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received October 15, 1996.

ADDRESSES: Written comments and recommendations on the proposed information collection should be sent to: Commander, Naval Health Research Center, Box 85122, San Diego, CA 92186-5122.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed collection or to obtain a copy of the proposal and the associated collection instruments, please write to the above address or call Commander Greg Gray, M.C., U.S.N. at (619) 553-9967.

TITLE, ASSOCIATED FORM, AND OMB NUMBER: Epidemiologic Studies or Morbidity Among Gulf War Veterans: A search for Etiologic Agents and Risk Factors; OMB Number 0720-0010.

NEEDS AND USES: This information collection requirement is necessary to obtain and provide the Department of Defense with information to evaluate whether military veterans have a greater risk of adverse reproductive outcomes associated with overseas deployments or occupational and environmental exposures. Specifically, the study focuses on early pregnancy losses, infertility, delayed conception and miscarriages. Information from this study may assist the DoD and the Department of Veterans Affairs and the U.S. Environmental Protection Agency

in evaluating adverse reproductive outcomes and the effects of various environmental exposures as well as subsequently help define reproductive health policy.

Affected Public: Individuals or households.

Annual Burden Hours: 2,070.

Number of Respondents: 9,000.

Responses Per Respondent: 1.05 responses per respondent.

Average Burden Per Response: 22 minutes.

Frequency: One time and follow-up.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The information is being collected as part of a research program dictated under Public Law 103-337 SEC722, which directs the Secretary of Defense to conduct and administer grants for studies in order to determine the nature and cause of illnesses as a consequence of service deployment in overseas operations. This collection instrument is for use by researchers from the Departments of Defense, Veterans Affairs, the Center for Disease Control and Prevention, the US Environmental Protection Agency, and the University of California. Respondents are current and former military personnel from all branches of the military including reservists and members of the National Guard. This survey instrument will provide the above agencies with information on the prevalence of any possible adverse reproductive outcomes
